

# Power Tool People Ltd.

Professional equipment for competitive edge

And many more..

## Contact

📍 25 Saxon St, Phillipstown, Christchurch 8023

## About Us

### Proudly serving trades in Canterbury since 1995.

From our humble beginning as a power tool and machinery repair workshop, We have evolved as suppliers of the best Power Tools and portable equipment.

We draw on the experience of our technicians and 2 qualified mechanical engineers on board to choose our range of products. We aim to supply tools, machines and packages that increase productivity and profitability.

We carry a range of Festool, Fein, Marquip, Toptul, Dewalt, Metabo & Euroboor products, to name a few. We are constantly upgrading our inventory to adjust to the changing trade environment.

Health & safety are a major factor in our choices. We are well supported by our suppliers and their technical teams.

## Showroom

We invite you to visit our showroom and repair centre in Christchurch to browse a big range of professional equipment.

Our technicians and experienced staff is always willing to answer any queries you may have.
